"At Trump International Golf Club Dubai we allowed the wind to shape some very interesting features."

Gil Hanse

World-class course architecture

DAMAC Hills is the most luxurious golfing community, with the Trump International Golf Club Dubai at its heart.

The course is designed by Gil Hanse, designer of the 2016 Olympic Games golf course in Rio de Janeiro and one of the most sought after course architects in the game. A great subscriber to minimalism, he has designed many other high-profile courses, including the 'Blue Monster', namely Trump National Doral's Blue Course, dubbed the greatest challenge for PGA Tour Professionals. Now he brings his unique skills to shape the championship course at DAMAC Hills.
